

BALTIC FIRE SAFETY TECHNOLOGY FORUM		
LITEXPO TRADE FAIR AND CONFERENCE CENTRE		
28-29 AUGUST, VILNIUS		
FIRE PREVENTION SEMINAR		
28 AUGUST, TUESDAY (DAY 1)		
08 50	09 00	Inauguration. Speech of Interior Minister or/and National Fire Department General or/and Association president
09 00	09 30	Lecture 1: Marco Antonelli, Promat "Case: collapse of Twin Towers. Fire engineer's perspective"
09 35	10 05	Lecture 2: Wojciech Węgrzynski, ITB „Mistakes of using CFD modelling while designing fire and evacuation safety
10 10	10 40	Lecture 3: Donatas Žydelis, Hilti „Innovations in passive fire safety“
10 45	11 15	Lecture 4: Henrik Johansson, Tyco "Corrosion in sprinkler pipe work and alternatives preventing corrosion"
Coffee, Tea, Biscuits 20min		
11 35	12 05	Lecture 5: Marija J. Rukavina University of Zagreb "Fire Safety of Facades in Croatia"
12 10	12 40	Lecture 6: Grzegoz Krajewski, ITB "Hot smoke test as a complex test for safety systems. Case: Warsaw National Stadium"
12 45	13 15	Lecture 7: Linas Kriščiūnas, Promat Baltics. "Differences between fire resistant air supply ducts and smoke ducts"
Lunch 60min		
14 15	14 45	Lecture 8: Piotr Smardz, SITP Poland "EuroCode calculations for steel constructions fire resistance. Best practice"
14 50	15 20	Lecture 9: Krzysztof Baginski, SITP Poland "Smoke exhaust test data vs. national fire code"
15 25	15 55	Lecture 10: Rafal Szczypta, National fire department, prevention control co-chief "Nation control on fire risk calculations and CFD fire modelling"
Coffee, Tea, Biscuits		
FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 17:00 (5 P.M.)		

FIRE PREVENTION SEMINAR		
29 AUGUST, WEDNESDAY (DAY 2)		
8:30 Coffee, Tea, Biscuits 30min		
9 00	9 30	Lecture 7: Wojciech Węgrzynski, ITB Poland. „Smoke exhaust systems in shopping malls. Effect on air flow examining different sizes in openings“
9 35	10 05	Lecture 8: Rafal Szczypta, National fire department, prevention control co-chief “Fire safety design of photo voltaic elements in/on buildings”
10 10	10 40	Sponsor presentation: Johnson Controls / Tyco
10 45	11 15	Lecture 9: Securiton representative “Innovative fire detection systems for freezers, dusty & hard industrial condition premises”
Coffee, Tea, Snacks 30min		
11 45	12 15	Lecture 10: Dr. Esko Mikkola, Chief Fire Safety Expert, KK-Fireconsult Ltd “Finland experience on fire safety”
12 25	12 55	Henrik Johansson, Johnson Controls / Tyco “High Rise buildings – Zoning and Pressure reduction”
13 00	13 30	Lecture 11: Adam Kovics, FPA, UK. “Fire safety in construction sites. Wireless innovative technologies saving lives”
13 35	14 05	Lecture 12: Krzysztof Baginski SITP Poland “Using skylights for smoke exhaust. Recent data from tests in Belgium”
14 10	14 40	Sponsor presentation: Fire warning system acc. EN54. What’s so special?
09 00 ÷ 17 00		Visiting the Fire Trade Fair
<p>FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 17:00 (5 P.M.)</p>		

Conference program is under constant changes.

Please contact Martynas (+370 686 83633 / info@fogo.lt) for latest updates.

BALTIC FIRE SAFETY TECHNOLOGY FORUM		
LITEXPO TRADE FAIR AND CONFERENCE CENTRE		
28-29 AUGUST, VILNIUS		
FIRE & RESCUE SEMINAR		
28 AUGUST, TUESDAY (DAY 1)		
08 50	09 00	Inauguration. Speech of Interior Minister or/and National Fire Department General or/and Association president
09 00	09 30	Lecture 1: Kęstutis Lukošius "Trends and guidelines of creating volunteer firefighting system in Lithuania"
09 35	10 05	Lecture 2: Karl Heinz Beckermeyer "Organisational structure of Freiwillige Feuerwehr"
10 10	10 40	Lecture 3: Szymon Kokot "ABC of tactical fire ventilation" Part 1
10 45	11 15	Sponsor presentation: Rafal Meczynski, Weber Rescue Hydraulics. News in hydraulic rescue gear"
Coffee, Tea, Biscuits 20min		
11 35	12 05	Lecture 4: CFBT representative "Technical rescue gear tactics when dealing with electro cars"
12 10	12 40	Lecture 5: Vaidas Masiliauskas "Experience from HAZARD trainings chemical leak and people in the water"
12 45	13 15	Lecture 6: CFBT representative "Cancer prevention for firefighters"
Lunch 60min		
14 15	14 45	Lecture 7: LERT representative "Lithuania's role in international rescue operations"
14 50	15 20	Sponsor presentation: Arek Blach "New highlights of firefighter's PPE"
15 25	15 55	Lecture 8: Design, construction & training programs for special firefighter drill container premises
Coffee, Tea, Biscuits		
FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 17:00 (5 P.M.)		

ORGANIZATION COMMITTEE: +370 686 83633 or INFO@FOGO.LT

FIRE & RESCUE SEMINAR		
29 AUGUST, WEDNESDAY (DAY 2)		
8:30 Coffee, Tea, Biscuits 30min		
9 00	9 30	Lecture 8: Lithuanian PAGD representative "Chemical rescue operations. Experience from incident trainings".
9 35	10 05	Lecture 9: Lecture 3: Szymon Kokot "ABC of tactical fire ventilation" Part 2
10 10	10 40	Sponsor presentation:
10 45	11 15	Lecture 10: Desig & Build of special container premises for firefighters trainings
Coffee, Tea, Snacks 30min		
11 45	12 15	Lecture 10:
12 25	12 55	Sponsor presentation:
13 00	13 30	Lecture 11:
FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 17:00 (5 P.M.)		

Conference program is under constant changes.
